Domestic freestanding safe KARAT

MT 24 – MT 26 N safety cabinets “Karat”

- Type tested and supervised security by ECB-S
- Protected against fire, certified protection against burglary according to EN 1143-1
- Triple walled body with exterior walls of flame-cutting protected stainless steel material
- Double-walled door with additional armouring, door leaf thickness 7 mm SM steel
- Additional lock plating for extra protection
- Three-sided locking through strong square bolts, bolts on the top and the bottom with integrated steel rolls—extreme protection against flame-cutting, drilling and attack
- All over gripping bar on the hinge side
- Prepared for both wall and floor fixing, fixings included—extreme high breaking strength, one centrally arranged drill hole on the back wall and one on the bottom
- Fire-protective material in body and door according to DIN 4102-A1, body with fire fold
- Convenient depth for common sized files, one adjustable shelf
- Colour: platinum grey (similar to RAL 9007)
- Extra security:
- Thermal emergency locking mechanism in front of each bolt, special protection against drilling

Version E Electronic

Article	EAN	Exterior HxBxT	Interior HxBxT	Door HxB	Weight	Volume
	40 03482	mm	mm	(opening) mm	kg	l
MT 24 N E	19150 7	340x430x390	250x348x294	250x336	43	25,8
