High Quality Security Protection

The World's Trusted Safe

BURGLARY RESISTANCE
The strength to protect

FIRE RESISTANCE
Excellent fire protection

The Safe Vault is a high quality safe designed and engineered to incorporate a list of advanced security features normally reserved for use on heavy duty commercial safes.

The secret strength in this small fortress is its capabilities to resist serious attacks.

This powerful safe is perfect to protect your cash, jewellery, documents and valuables. The Safe Vault is ideal for the home, offices, restaurants and businesses, in fact anywhere security is needed.
