

# Security Chest Cash Deposit Safes

Security Chests are convenient and secure. Designed to secure, store and protect documents, cash and valuables at home or the office.

Deposit Safes are designed for cash handling businesses. They provide immediate deposit for cash notes and coins, and offers instant protection for burglary. If the front door is opened on the DS30 model, deposits can be made through the upper loading hopper and remain secure.

Security Chest is available with slot for cash or envelope deposits.
