

# *diplomat* **Fire SAFE**

Probably Diplomat Safe is the best solution against fires.

*diplomat* **SAFE** 

# *diplomat* SAFE never stops Development and Innovation!

Recessed double curvature frames provide virtually airtight construction preventing smoke and heat damage.

At no extra cost, key locking compartment drawer is provided. (Above Model 006)

Spacious interior dimensions allow for more efficient and larger storage area.

2 or 3 way (up and side) active bolts and dead bolts provide.

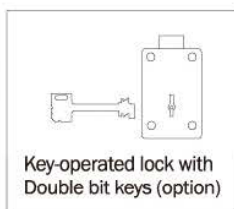

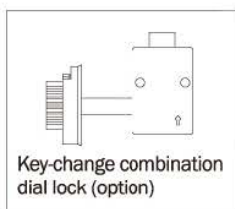

Fully adjustable shelf or shelves

Re-locker(s) provides more security. (Above Model 006)

## **Rust Free**

100% top quality EGI steel plate and antirust refined durable paint keep rust free. Every safe is cleaned to remove toxic foreign matters before painting.

Top quality urethane antirust primer coated. Durable acrylic urethane leather-tone finish in smart modern colors makes the surface more smooth and bright, preventing scratches and worn-out.

Handle snaps into position automatically when door is closed.

Recessed double curvature frames from top end to bottom end work as dead bolts.

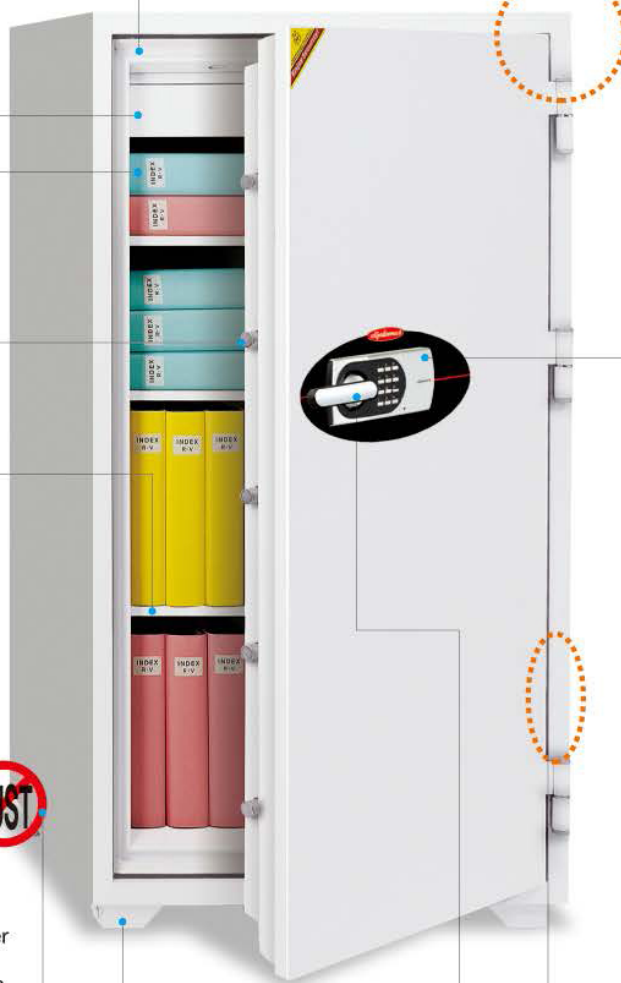

## **Alarm system available**

Once alarm system is affected by shock, vibration or tilt, it makes horn immediately.

## **Amazing fire resistant Insulation STYRONITE F**

Wheels removable (option)

## **Available Electronic Digital Lock**
