

LOCKTECH Safes for Home and Business

Medium to Large Fire Resistant Safes

Fire resistant safes perfect for business or home use with enough capacity to hold and protect all of your valuables and important documents from fire.

Features

- High security, fire resistant safes in a variety of sizes with several proven certificates.
- 1 hour or 2 hours fire-protection certified by KS 1 hour (Furnace Temperature: 945°C) and SP NT-Fire 017 120P (Furnace Temperature: 1049°C)
- Three-way main bolt works with independent relocking device.
- Two or three stationary locking bolts on hinge side to deter prying attack on hinges.
- Lockable drawer + adjustable shelf.
- Pre-drilled anchor hole.
- Lagard BASIC 11 digital lock.
